Note - The investment budget does not include investment expenses, including investment manager fees either paid directly via VCERA issued check, deducted from directly from investment by the respective investment manager or via a capital call where the investment fee may not be clearly identified until the quarterly report is received. These fees are a cost to the pension plan and are detailed in the Schedule of Investment Management Fees that are provided to the Retirement board on a periodic basis (quarterly effective in the new fiscal year, where previously they were provided monthly).
